What?

PRWI is a two-week seminar in collaboration between Harvard University's David Rockefeller Center for Latin American Studies (DRCLAS) and the College of Humanities at the University of Puerto Rico at Río Piedras (UPR).

The program is led by Professor Pedro Reina Perez (UPR).

Theme Details...

This year's Institute will focus on Puerto Rico's increasing interest in agriculture relative to aspects such as food sovereignty, sustainability and culture.

Lectures will explore connections to health, ecology and economic development, among others. Site visits to emerging projects and talks to entrepreneurs and community leaders will complete the agenda.

Who Participates?

24 students will be selected to participate in the seminar (12 from Harvard University, 12 from UPR).

Undergraduate and graduate students are both eligible to apply. Preference will be given to students whose research interests best align with the themes of the seminar.

Proficiency in Spanish is necessary.
